Arrival of the Fulton.

Nuw York, Aug 11. The steamship Fulton, from Havre and Southampton, has arrived. Her dates are to the 26th ult.

The St. Petersburgh papers publish the treaty between Russia and China, which had been ratified by the two Emperors. It grants leave to Russia to send ambassadors Onions to Pekin, promises protection to christian missionaries, and authorizes a monthly mail service between Kıachta and Pekin. The Fulton's papers are one day later than

The advices from Paris indicate unpleasant feelings toward England. An article in the Monitour discrediting the rumored probabil-ity of an accord between France and England on the question of the Congress, and a general disagreement had produced a painful

The London Herald's Paris correspondence says from the banding together of Russia, France and Austria, and the immense naval preparations it is difficult to believe the univer report of a great blow being contemplated against England. This was written previously to the more pacific action of the Emperor of France.

The French steam navy is to be increased to 150 men-of-war exclusive of seventy two

Arrival of the North Star.

NEW YORK, Aug. 11. The steamship North Star has arrived .she left Aspinwall on the 3d inst, and brings California dates to the 20th ult which have been anticipated. She brings nearly 500 passengers. The excitement on the isthmus in relation to the golden inveges found in Inpassengers. dian graves is dying out.

The Atlantic Cable.

The Atlantic Cable.

New York, Aug. 11.

The Atlantic Telegraph Company have decided, that the conductor of the next cable will consist of six wires twisted, six times the size of the old cable. There will be no outside covering of the wire, except a few hundred miles. The new cable is to be laid down immediately, and it is expected be in order for business next nummer.

INVITES THE ATTENTION OF THE public to his fine farge-slock of PIANOS, now on exhibition at his Wareroom. DAYTON, O. DAYTO YOUNG MEN TAKE PARTICULAR NOTICE.
Dr. ANOS and SON take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most teninent physicians in London, Paris, Philadelphia and New York; it has been declared the only useful instrument which has ever jet been invented, for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret shabits of youth. Price Ten Dols lars, by Mail or Express.

weakness, or any disease of the sential organa, caused by the secret habits of youth. Price Ten Dols lars, by Mail or Express.

A CURE WARRANTED.

Dr. AMOS and SON have devoted their attention exclusively to this peculiar class of maladies, and the relief they have consequently been able to render their fellow-creaturs, is fully testified and gratefully seknowledged by convaissment patients and others daily arriving in town, from all parts of the country, for the express purpose only of consultations, while their exertions havebeen crowned with the most signal advantages; yet from what they have experienced in enquiring into the causes of these infectious complaints, (from their most simple condition to that of the most dangerous and inverted to one of their prevention and removal, and likewise invariably foundthat the most horrhie and malignant forms of disease could almost invariably be traced to one of the following causes—ignorance, neglect, or the illeffected inskillful of improper treatment; therefore Dr. Allos and SON have succeeded in discovering, in the selection of their remedies, as asie, effoctual and cautions course; omitting all combination of remedies which bear an equivocal character, as well asthose whose premature or injudicious application might be preductive of bad consequences in the hands of private individuals. In short, the inadable and of their remedies is the less easient of their remedies as affected and of their remedies in the least of the Post Orpice, and the public, in the productive of bad consequences in the hands of private individuals. In short, the inadable end of their remedies is the less end of their remedies in the least of the particular attention will be encoded.

ALSO.—Horses that interfere will be should on prevention of those grievous affections application might be preductive of bad consequences in the hands of private individuals. In short, the inadable end of their remedies is the less and in the productive of bad consequences in the land of the particular attenti All work WARRANTED, or no charges

COUNTRY INVALIDS. Personnin and part of the world may be successfully treated by forwarding a correct detail of their sass, with the remittance for medicines, etc.
